Excerpt from Œuvres Complètes de Condillac, Vol. 11: Histoire Moderne

J E commence, Monseigneur, l'histoire moderne à la chute de l'empire d'occident, parce que c'est à cette révolution que de nouvelles nations s'établissent ou s'affermissent dans leurs premiers établissemens. Cette époque. Est un temps de confusion, et l'ordre ne ré naîtra qu'après une longue suite de désordres de toute espèce. Pour sais'ir l'esprit de ces ré volutions, il est nécessaire d'observer les Bar bares, d'où les nations modernes tirent leur origine mais auparavant nous observerons le gouvernement de l'église parce que la religion aura désormais une grande influence.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
